Dear Resident,

We want to make sure that you know about all of the great services available to you as a resident of Park Central. We value our residents, and we're proud to continue providing excellent services that allow you to live your best life possible while receiving the compassionate care you deserve. We have several affiliate healthcare partners who provide services to all of our Park Central residents right here on-site. All of our residents are able to get ***The Right Care, Right Here*** on our campus.

You always have the right to choose your provider, but we're hoping that you find the quality and convenience of *BSA CareXpress Urgent Care* being right here on our campus saves you significant time and frustration. No one looks forward to arranging transportation to and from the doctor's office and sitting in a waiting room when not feeling well. *BSA CareXpress Urgent Care* proudly offers shorter wait times than most general practitioners' offices. Plus, you save yourself transportation time since CareXpress is located right here on-site. Unfortunately, you can't always anticipate when you'll need to visit the doctor. Thankfully, at *BSA CareXpress Urgent Care*, walk-ins are always welcome.

BSA CareXpress Urgent Care is known in town as one of the most reliable urgent care entities with some of the highest quality healthcare available. They have been recognized as the 'Best Urgent Care of Amarillo' and offer a full range of services. Their trusted team of board-certified practitioners provides patients with the highest quality healthcare in Amarillo. They provide services for general sick visits, immunizations, and even needed x-rays and blood work.

We're proud to help provide a superior quality of life with the ***Right Care, Right Here*** for you. If you have any questions or would like more information about the *BSA CareXpress Urgent Care* on our campus, you can speak with any Park Central staff member.
