The Right Care, Right Here

Residents' Care and Quality of Life Come First at Park Central.

Amarillo, TX - Park Central wants people to know that their residents can get **The Right Care, Right Here** on campus. *BSA CareXpress Urgent Care*, *Select Rehabilitation*, *BSA ComPassion Home Care*, and *ComPassion at Home* offer services to all Park Central residents right where they live. Having this quality care available right on campus allows for the various needs of residents to be met conveniently and with the confidence of caring and competent staff.

"Helping improve our patients' quality of life is one of our passions," said **John Doe, Title** at Park Central.

Doe says Park Central residents can rest assured they are getting the utmost in care as conveniently as possible from four on-site healthcare providers:

- *Care Xpress Urgent Care* offers on-site care for sick visits, immunizations, and needed x-rays and blood work
- *BSA Compassion Home Care* offers on campus assistance with medication, communication with physicians, help after surgery, and educating patients about their conditions
- *Compassion at Home* provides on-site assistance with a variety of everyday needs, such as groceries, bathing, dressing, transportation, laundry, and other light housekeeping
- *Select Rehabilitation* provides physical and occupational therapy, as well as speech language pathology right here on our campus
